

Hi Palomino Friends!

Hope everyone is having a good start to summer, and getting some much needed, in my area anyway, rainfall for the hay and pastures. How many of you were blessed with palomino foals this spring? I think Jim and Diana have 3 nice golden babies. My 50% chance of palomino turned out red. Anyone looking for a nice big sorrel colt, grandson of Zippos Old Gold?

Show season is fast approaching, and at the awards meeting, we discussed trying to get business places to sponsor a class or donate to PHEK. So please go to your feed store, tack store, co-op, vets office, grocery store, etc., where you do business, and ask if they would like to sponsor a class. I have been asking for \$25.00. If they say they can't give any money, then I tell them we also take supplies, like feed, fly spray, halters, etc., and have been having good luck with getting some things for our auction. I spoke with Tom and he said we would have some kind of dinner on Sat. night, July 2nd, and an EXCITING auction. So please everyone, bring something to put in the auction, it will be FUN!!!!

I understand that Vicki Scrapper will again have her booth set up at the July and Aug shows, so everyone, check out her goodies and supplies (always nice to be able to get bands and hoof polish when you forget it, LOL). See you all real soon.
