PHEK NEWS

Spring 2009

Hi everyone:

It's hard to believe that another show season is here, Winter has gone and the cold is a memory, Spring is here and Summer is creeping upon us. Always hard to decide whether you like Winter or Summer. I think I will pick Summer as it means Palomino shows and seeing friends. Remember that we do require work segments to receive a year end award so keep that in mind. Rules will be posted at the shows.

In reviewing our membership list I see names of members that we have not seen at shows for several years. We would like to see you back showing with us. We also want to welcome the new members and look forward to seeing you at our shows.

PHEK has decided to try something new this year for our Saturday and Sunday shows, We approached KQHA and AQHA about the introductory shows and have received approval to hold them. There will be a full day of QH classes along with our normal PHBA classes. It might make for a long day, but it will help the club out financially so we can continue to hold our PHEK shows. I ask that anyone available to come and help, please do as we all need to pull together in these tough times and keep PHEK active. Check the PHEK website for show-bills and contact information. (www.ksgoldenhorse.com) you can also find the showbills on the KQHA website. (kqha.com)

If any one has any questions or ideas for PHEK please contact any of the officers, and let us know your thoughts.

Thanks to all you for supporting PHEK.
